Explanations	

Our subsidiary, Tekfen İnşaat ve Tesisat A.Ş., together with Fernas İnşaat Anonim Şirketi, has formed a joint venture for the "Pursaklar – Esenboğa (20+500 to 36+000) Rail System Line Construction and Electromechanical Systems Supply, Installation and Commissioning Works" tender conducted by the General Directorate of Infrastructure Investments of the Ministry of Transport and Infrastructure. Following the evaluation of the joint venture's bid amounting to 54.411.643.707,60 TL excluding VAT as the economically most advantageous bid with the highest score among the valid bids, the tender was awarded to the said joint venture and approved by the Tender Commission.

Accordingly, pursuant to the "Invitation to Contract" letter delivered to the parties of the joint venture, the contract will be executed within the legal periods stipulated under the Public Procurement Law and the tender specifications, following the completion of the required performance bond and other necessary documents.

We proclaim that our above disclosure is in conformity with the principles set down in “Material Events Communiqué” of Capital Markets Board, and it fully reflects all information coming to our knowledge on the subject matter thereof, and it is in conformity with our books, records and documents, and all reasonable efforts have been shown by our Company in order to obtain all information fully and accurately about the subject matter thereof, and we’re personally liable for the disclosures.
